“ Freda was my first piano teacher. I went on to major in music in college and have a career as an accompanist at Interlochen Arts Academy for 34 years, where I worked with student musicians from all over the world, some of whom have gone on to have impressive careers. I always wondered what Freda thought about that or if she knew. She was the one who set me on the path. I remember her as a good teacher and a good woman. My sympathies to Teresa.

“ Dearest Teresa, Jimmy and grandchildren,
I am so deeply saddened to hear of Alfreda's passing. I have known this sweet lady for 52 years and I can truly say that she was such a lovely, kind, and gentle lady. When I first moved to Kentucky, "Freda" , along with the many ladies who worked at the Bank of Dundee, made me feel very welcome-----I knew I was at home in Dundee. Over the years we both faced pain in many ways, but we were there to comfort one another. About one month ago, I called Freda from Arizona and it was truly an honor and pleasure to speak with her for two hours. We shared many memories and a lot of "catching up" to do. . She said that she had physical issues, but she was contented and happy and had such loving support from family and friends.
To all of the family, please know that I, along with many others, grieve her passing. Celebrate her wonderful life. Rest in peace, dear friend.
