“ My dear Aunt Ann. I have never lived a day without you being my aunt... It has only been a few days and I still can not wrap my head around you being gone. My kids adored and loved you as much as I did. You taught me so much in my life and had always been there as a listening ear or give advice and always told me how it was no matter what. I know you are no longer in pain and are with grsndma grandpa Uncle Bert and Aunt Linda but forgive me for being selfish I wish you were still here with us. :(every day i will miss you. Please keep watch over us all. Rest in peace Aunt Ann

“ This is my aunt but just as much of a mom to me. She taught me to love baking and it has just grown over the years. The yearly candy for the holidays or the birthday cakes for family. She was one of the strongest women ive ever been around and im honored to call her my anut. Love you always and forever.
